Alexandra Reyes

BS Information Technology | Full-Stack Development

alexandra.reyes@g.msuiit.edu.ph +63 917 555 0142 Iligan City, Philippines github.com/alexandra-reyes

PROFESSIONAL SUMMARY

Fourth-year Information Technology student at Mindanao State University – Iligan Institute of Technology with hands-on experience building accessible web applications and data-driven tools. Interested in full-stack engineering, cloud systems, and products that improve student and community services.

EDUCATION

Mindanao State University – Iligan Institute of Technology 2022 – Present

Bachelor of Science in Information Technology | College of Computer Studies

Current standing: 4th Year | Cumulative GPA: 1.45 | Dean's Lister

SELECTED PROJECTS

CareerConnect+ Student Guidance Platform

2026

- Designed a responsive student dashboard for counselor appointments, resume feedback, and verified career opportunities.
- Built reusable interfaces with Next.js, TypeScript, Tailwind CSS, and accessible form patterns.

Campus Resource Finder

2025

- Created a searchable web application that helps students find campus services and contact information.
- Improved mobile task completion through simplified navigation and clear empty states.

TECHNICAL SKILLS

Languages: TypeScript, JavaScript, Python, SQL

Frameworks: Next.js, React, Node.js, Tailwind CSS

Tools: Git, PostgreSQL, Figma, REST APIs, Docker

EXPERIENCE & ACTIVITIES

Student Developer, CCS Technology Organization

2024 – Present

- Collaborated with student teams on web prototypes and peer learning sessions.
- Supported workshops on version control, frontend development, and portfolio preparation.

COUNSELOR-VERIFIED RESUME

Reviewed and approved for profile sharing by Dr. Maria Santos, Career Placement Officer, MSU-IIT Career Center.

Verification date: October 25, 2026.

Sample document for local P.A.C.E. Resume & CV Checker testing — not an official employment document.
